STUDENT'S RIGHTS TO CANCEL (cont'd)

REFUND POLICY:

A student may cancel this agreement at any time by notifying the school in writing (a "NOTICE OF CANCELLATION" is provided).

The student has the right to cancel and obtain a full refund of charges paid through attendance at the **first-class session, or the seventh (7th) day after enrollment, whichever is later**. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have **completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance**.

Registration fee is non-refundable. At this time, the registration fee is \$100.00, and the Student Tuition Recovery Fund (STRF) is based on the cost of the enrolled course. STRF fees are refundable if a student withdraws during this period and given a full refund. STRF fees are non-refundable after this cancellation period passes. Please refer to the specific course for more details of tuition and fees.

You may withdraw from the school at **any time after** the cancellation period and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration fee of \$100.00, pursuant to CCR 71750(c)(3). All amounts the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for a deposit not more than \$250.00. If cancelled after the 7-day period all moneys shall be refunded on a pro-rate basis, less registration fee of \$100.00 (non-refundable), less equipment \$350.00 (non-refundable), less book \$150.00 (non-refundable). Once purchased, the equipment and book become the property of the student. Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable. If the student has **completed more than 60% of the period of attendance for which the student was charged**, the tuition is considered earned and the **student will receive no refund**.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.
- The student does not return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. **The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal**. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. The school will refund the student within 45 days after the notice of cancellation is received.

LOAN AND FEDERAL STUDENT FINANCIAL AID FUNDS

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid funds.

Both Pro Barber College, Inc. locations hold a passing rate at the State Board exam of 95% since opening. This information will be updated regularly if and when the passing rate changes. The 5% that failed the first time passed the second time to allow a 100% passing rate. We allow all students to come back to school free of charges if they need to retake the exam. Visit our exam results at: barbercosmo.ca.gov, look for the left side link "schools", click schools, then performance. At that point you can scroll down to see each quarter, the number of students that took the exam, how many passed in that quarter, and how many failed.

Initial _____

PLACEMENT RATE

Our college does not guarantee job placement upon graduation. We do attempt to locate employment for graduates who request assistance. Reasonable efforts will be made to assist a graduate in gaining employment. The more flexible a graduate can be regarding placement, the easier it is for the college to assist. The colleges maintain a "**Job Bulletin Board**" listing the current employment opportunities, as well as a listing of Barber/Styling shops for sale; this is updated and posted as information dictates. The school does not guarantee a level of income/wages to any graduate.

Initial _____

Most students during the 1000-hour course have found employment through contact with other students; same employment where the previous students found work, family or friends that own shops or where the student looked for work while still attending school. Some students went straight into ownership after employment and employed other recent graduates. Our school receives requests for barbers monthly, more than the school can provide. Few barber students use our connections. We do assist but do not guarantee. To our schools knowledge, we have a 95% rate for students finding suitable employment after licensure.

Initial _____

SALARIES AND WAGES IN THIS FIELD OF WORK:

A student who completes the course and obtains the required license then enters the barbering industry. Shops pay commission, chair rental or hourly wages. **Commissions** vary, but the barber will receive an average somewhere between 60% and 70% of the money received from services he/she performed.

PRO BARBER COLLEGE, INC.

SCHOOL PERFORMANCE FACT SHEET (cont'd)

For **hourly wage**, the California Law requires payment of at least the minimum wage per hour. Most shops that offer hourly wage are corporate (chains) shops (i.e., Fantastic Sams, Super Cuts) and they offer much more than minimum wage and many incentives such as; medical insurance, continued education and bonuses of money.

Chair rentals range from \$100.00 to \$250.00 per week; depending on the location of the shop. If the owner pays high shop rent, usually the prices for services in the shop are higher and the barber makes more income to afford the chair rental price. The school suggests students after licensure, to go into a shop that allows the % basis until the student reaches a suitable income and then request to rent the chair. At that point, any income received above the chair rental is the income for the barber. For chair rental you are considered an independent contractor and must be allowed a key, make your own hours and keep your own appointment schedule.

Initial _____

Prior to signing this enrollment agreement, you must be given a catalog or brochure and a school performance fact sheet, which you are encouraged to review prior to signing this agreement. The College is required to have you sign and date the information included in the school performance fact sheet relating to completion rates, placement rates, license examination passage rates and salaries or wages, and the most recent three years cohort default rate, if applicable, prior to signing this agreement.

Initial _____

I certify that I have received the catalog, school performance fact sheet, and information regarding completion rates, placement rates license examination passage rates and salaries or wage information and the most recent three years cohort default rate, if applicable, included in the school performance fact sheet, and have signed, initialed, and dated the information, provided in the school performance fact sheet.
